

Aim Your Brain at USMLE Step 1: The Ultimate System for Mastering Multiple-Choice Exams

By Mary K. Miller

Paperback. Book Condition: New. Paperback. 145 pages. Please select the ONE BEST answer: 1. You are a medical student preparing to take the USMLE Step 1 exam. Which of the following best expresses your innermost thoughts (A) I hate multiple-choice exams. (B) I wish there were a better way to prepare for the test. (C) I know the material, but I don't do well on standardized exams. (D) I worry about the consequences of not passing. (E) All of the above. Answer: E The multiple-choice question above strikes fear into the heart of every medical student. They must all pass USMLE board and NBME shelf exams. As a clinical professor who teaches medical students and residents, author Mary K. Miller has seen some of her best and brightest students stumble when taking multiple-choice tests. To help them, she has developed the Aim Your Brain Study System. Her techniques include: Laying the foundation for how to study for USMLE Step 1; Using the AIM YOUR BRAIN Study System to overcome the I hate multiple-choice exams mindset; and helping students overcome test anxiety and other difficult issues. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
