Good Government, Governance and Human Complexity. Luigi Einaudi's legacy and contemporary societies.

By Edited by Paolo Heritier and Paolo Silvestri.

Olschki, 2012. brossura. Book Condition: nuovo. cm. 17 x 24, xviii-346 pp. Fondazione Luigi Einaudi. Torino - Studi Il volume presenta un'esplorazione interdisciplinare volta ad attualizzare la ricerca del buon governo, latamente inteso come 'good society', nel pensiero di Luigi Einaudi. I vari saggi - tra filosofia del diritto, economia, politica ed epistemologia -, muovendo dalla ricerca einaudiana, sviluppano il problema del buon governo in diverse declinazioni: dalla relazione tra pubblico e privato alla public governance, sino alla questione della libert  e della complessit  dell'umano nelle societ  contemporanee. The book presents an interdisciplinary exploration aimed at renewing interest in Luigi Einaudi's search for 'good government', broadly understood as 'good society'. Prompted by the Einaudian quest, the essays - exploring philosophy of law, economics, politics and epistemology - develop the issue of good government in several forms, including the relationship between public and private, public governance, the question of freedom and the complexity of the human in contemporary societies. Inglese 672 gr. xviii-346 p. Libro.
