

Sustainability and Globalization

By Julio de Santa Ana

World Council of Churches (WCC Publications). Paperback.
Book Condition: new. BRAND NEW, Sustainability and Globalization, Julio de Santa Ana, The essays touch on the Bible, the world, and the universal church. Biblical studies read several passages of scripture in the light of the contemporary tensions and realities of globalization; essays deal with such key global challenges as climate change, biological diversity and economic development; and theological reflections focus on the tensions between globalization and sustainability.

Reviews

It is one of my personal favorite pdf. This really is for all those who state there was not a really worth looking at. I realized this book from my dad and I encouraged this pdf to understand.

This book might be worthy of a go through, and a lot better than other. It had been written really properly and helpful. You may like just how the author wrote this publication.
