NATIONAL VEGETATION CLASSIFICATION: FIELD GUIDE TO MIRES AND HEATHS

Pelagic Publishing. Paperback. Book Condition: new. BRAND NEW, National Vegetation Classification: Field Guide to Mires and Heaths, T. Elkington, N. Dayton, D.L. Jackson, I.M. Strachan, The National Vegetation Classification (NVC) has become the standard classification used for describing vegetation in Britain. It is a 'phytosociological' classification, classifying vegetation solely on the basis of the plant species of which it is composed. The NVC breaks down each broad vegetation type into communities. Many of these communities contain two or more sub-communities,...

Reviews

It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have got read through during my individual life and might be the finest publication for ever.

-- **Prof. Murl Shanahan DDS**

It is simple in read easier to understand. I am quite late in start reading this one, but better than never. Its been designed in an exceptionally easy way in fact it is just following I finished reading through this publication where basically transformed me, alter the way I really believe.

-- **Ms. Christy Ondricka DDS**
