Those in power always need an unofficial option. Meet John Wells. Saudi Arabia's King Abdullah fears he is fast losing control of his family and his people. A series of terrorist attacks has put his kingdom on edge and, with powerful factions turning against him, the king must turn to the one man he has been told will make the difference. Ex-CIA operative John Wells knows all too well how covert internal battles can undermine a nation. With the stability of a powerful Middle Eastern country at stake, he goes undercover to investigate King Abdullah's claims.
