Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

Not illustrated. 1918 Excerpt: . . . and studying the approved subject-matter of an academic course of study. It was a factory, producing four thousand toys in two weeks time. Every child above the second grade was a worker in the factory, having his hours of work recorded and receiving his pay at the end of the two weeks in the currency described in a former article on this subject. No overtime work was done except by the high school and faculty foremen. The advantage of this plan for the Toy Shop was that every member of the school made a real contribution toward filling the St-i-The Fclwoi Shop nnd the Chrixtmax Spirit, p. 21. in Vol. I. The facial Motirc in School Work. needs not only of the small school community, but also of other institutions, and of individuals who are victims of the present social order. The school authorities felt that the educative results of the plan justified the task of rearranging programs. The Study Of Current Interests In The High School The school believes that high school children need as vivid, accurate knowledge as is possible of the affairs and events of the world. For the last two years an experiment has been carried on in the high school for the purpose of enabling all the pupils to have one period a week for a more complete discussion of current events than can be made by casual reference in occasional classes. Six groups were organized to study current problems, and...
