Brand New Book ***** Print on Demand *****.In this business it pays to be smooth, hard as nails and tough as they come. Unfortunately for me-I m not. Luckily, I can wield sarcasm as well as any weapon, and I m not afraid to use either of them. When that fails-and it usually does-there s no substitute for a sucker-punch. So sit back and let me tell you how this nightmare came about and made me one of the most infamous agents to ever put on a badge. But let me warn you right up front. I m not suave enough to get a woman out of her clothes just by smiling at her. If that s what you re after, Ian s Bond has got you covered. I m not smooth enough to pull off most of these capers without having to fire a shot. There are guys out there good enough, like Spade and Marlowe, but that s not me either. And I m not one of those guys that s so damn tough that even when he gets his ass kicked you just know-you know-he s gonna be back to finish off the bastards that did it. If that s what you re after, then nobody-but nobody-drops the hammer, like Hammer. I m the guy that has to get in there and get his hands dirty-filthy. The one that has to bust his ass and use everything he can to come out of it alive. It ain t always pretty, but I get the job done. And don t worry, I m going to give you a little something in return, because I can promise you one thing-you ll be laughing on...
