Nosy Crow, United States, 2011. Paperback. Book Condition: New. Nikalas Catlow (illustrator). 208 x 147 mm. Language: English . Brand New Book. Introducing Mega Mash-ups from Nosy Crow, an imprint of Candlewick Press! These books take great subjects for boys and combine them into short, bonkers, and funny stories that are incredibly easy to read. The illustrations are bold and crazy, and there s plenty of space left on each page -- together with suggestions for how to fill it -- so kids can add their own drawings. The books read as hilarious, zippy stories that look a lot like novels but are terrific doodle books as well. Deep in the desert, Gorillas trade oil for bananas grown by hi-tech Robots. But then they have a big falling-out and decide to have a race to settle their differences. Which side will get slimed by the garlic burp-breath sand slugs? Which will fall for the banana sundae mirages? And when will they realize that the race has no finish line?.
