Trading Closets is a powerful testimony of a woman's escape from a life of homosexuality into the marvelous light of salvation in Jesus Christ. Follow her journey through fear, addiction, abandonment, and suicide as she exposes her life's most intimate secret. Her story shares the struggle of being bound in a dark closet for many years before coming out as a lesbian. She now rejoices in her decision to trade closets and is living a new joyous life in Christ Jesus. God's unconditional love creates the foundation for this transition, and as revealed in this book, knowing your true identity in Christ is the beginning of your journey to deliverance and freedom.

Completely among the best pdf I actually have possibly read through. It is probably the most awesome pdf we have read. You wont really feel monotony at whenever you want of your time (that's what catalogs are for about in the event you ask me).
