Brand New Book ***** Print on Demand *****.From the film, National Treasure: There are 20 million books in the Library of Congress, and they all say the same thing: Listen to Riley! In college I was Editor of the literary magazine and received a national award for young writers. I m also a classically trained musician, Concertmaster in high school, all-State, and at my university. After a time in popular music I returned to my roots. My current project is original Renaissance-styles scores for ballet and dance. I have learned, painfully at times, that our minds alone can t guide us well. Joined by our hearts they may. Only where the sentiment of love and the power of reason intersect do we have the opportunity to appreciate the most profound truths of the human condition. For those of us in that minority whose lives are dedicated journeys toward the light, our progress can start slowly, like locomotives drawing heavy freight. Eventually we may pick up steam. With luck we ll reach destination. In my case, perhaps not yours, I liken the goal...

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).
