Britain's Last Frontier

By Alistair Moffat

Hardback. Book Condition: New. Not Signed; The Highland Line is the most profound internal boundary in Britain. First recognised by Agricola in the first century AD (parts of its most northerly portion mark the furthest north the Romans got) it divides the country both geologically and culturally, signalling the border between Highland and Lowland, Celtic and English-speaking, crofting and farming. In Britain's Last Frontier best-selling author Alistair Moffat makes a journey of the imagination, tracing the route of the Line from the River Clyde through Perthshire and the North-east. In addition to exploring the huge importance of the Line over almost two thousand years, he also shows how it continues to influence life and attitudes in 21st-century Scotland. The result is a fascinating book, full of history and anecdote. book.

Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Camylla Larson

Unquestionably, this is the greatest job by any author. It really is simplistic but shocks inside the fifty percent in the book. I am just pleased to inform you that here is the greatest book I actually have gone through within my own existence and could be the greatest ebook for at any time.

-- Elva Kemmer
