The ancients Greeks in particular, put a lot of emphasis on the use of herbs in the treatment of a variety of medical conditions. To this day, Greek medicine is practiced by its advocates as an alternative to contemporary medicine. In fact, modern science has started to prove what the ancient herbalists used in their medicine is actually effective. One prominent herb that has been used in medicine since millennia is rosemary. More specifically known as *Rosmarinus officinalis*, it is a perennial, woody herb that is characterized by sweet-smelling, needle-shaped leaves and flowers whose color may be white, blue, pink or purple. This herb originates from the Mediterranean region and belongs to the family of mint. Although it is used frequently by many people in several roast dishes and various types of stuffing for its characteristic aroma and strong flavor, in...
