Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.In the mathematically defined region of spacetime called a black hole, there is a region in its center that is said to have zero volume yet contain infinite density. This area is called a singularity, a point at which all rules that govern general relativity seem to breakdown. The quantities used to determine gravity or temperature or mass become immeasurable. Deep within the mind is an area between the dark and the light. A phenomenon that searches for what can carry on. Led by the turbulent fervor to compose curved spacetime. This is a story of the phenomenon of the soul and the belief that everything that falls within has the indefinite opportunity to become a future imagination. Also, words written on pages containing but not limited to - Boxing! Murder! Intrigue! The bending of non-linear time! Space!.
