Brand New Book ***** Print on Demand *****.Excerpt from Catalogue of the Historical Collection and Objects of Related Interest at the Children's Museum As a part of the Hudson-Fulton celebration, it was planned that some of the larger public educational institutions of New York should issue catalogues of such portions of their collections as related to the discoveries of Hudson or the inventions of Fulton. Allotments for this purpose were made by the Hudson-Fulton Celebration Commission to the Metropolitan Museum of Art, American Museum of Natural History, New York Zoological Park, New York Botanical Garden and the Brooklyn Institute of Arts and Sciences. The Central Museum of the Brooklyn Institute of Arts and Sciences contains the Tooker collections of Indian implements, illustrating the arts and industries of the Indians at the time of their discovery by Hudson, and collections of the animals and plants found in this vicinity. As the story of the Indians will be told at length in the Catalogue of the American Museum of Natural History, and the animals and plants will be described by that institution, the Zoological Park...
