

Evie the Elemmates (Paperback)

By Leslie A Wallant

Wallant Design, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.An Illustrated, Middle Level and Up, coming-of-age Sci-Fi Fantasy. Average, artistic 13 year old Evie Sparks from Marblehead discovers an abandoned Chemistry set, fools around with it causing a blast that lands her in Atom City, a city based on the Periodic Table of Chemical Elements. She finds she's condensed to the size of an atom like the atom sized beings she meets there. The ElemMates, element characters whose personalities are based on the chemical elements' properties, live in their appropriate city block based on the chart. Evie discovers her condensed size gives her great mental and physical strengths. She can fly and weave fabric imbued with her traits just by concentrating. It has healing properties. With the ElemMates, Octavia Oxygen, Heidi Hydrogen, Carl Carbon and Gilda Gold and her best friend Liz who joins her in Atom City, they attempt to resolve earthly problems like closing the Ozone hole, bringing water to the desert and cleaning up toxic sites. With the ElemMates help Liz and Evie produce prize winning Science Fair Projects. With new...
