

I am big So What!?

Filesize: 1.72 MB

Reviews

This pdf is indeed gripping and exciting. It is written in easy words and phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Alayna Kuphal)

Fingerprint/Prakash Books, New Delhi, India, 2016. Softcover. Book Condition: New. Is it only in India where people dont realize that starting a conversation with, "Oh, youve put on weight!" is incredibly rude? Perhaps I should respond with "Oh, youve become uglier!" so they get the point. From stores that do not stock clothes my size to unsolicited advice from neighbourhood aunties, my lifequite annoyinglyis ruled by the numbers on the scale. Whats the big deal about being big? You may wonder. Well, quite a lot, actually. For starters, you get dumped by the only man youve ever loved, social situations go from awkward to embarrassing within seconds, and dont even get me started on the familys never-ending search for a suitable groom. They just dont make men my size these days! Nevertheless, here I am, about to meet Suitor No. 7. Begrudgingly, of course. Ride along as I navigate the crazy arranged marriage market. And trust me, its crazier when youre more than a little curvy. Printed Pages: 200.
