Unfortunately, if you're like the majority of couples, the answer is probably no. More important, do you think you can ever find satisfaction in your marriage? If you hope the answer is yes, but

are afraid the answer is no because you don't know how to get there, this book is for you. Attorney turned pastor/marriage

counselor Brian Peters describes seven practical essentials for finding greater satisfaction in marriage. And these are not

simply theoretical concepts. They are specific skills that can be learned and that have been tested in the fire of Brian's 25-plus

year marriage, as well as in the marriages of countless couples with whom Brian has worked over the past 12 years. Also

included are discussions, questions, and homework?

assignments to help you put these essentials into practice in your marriage today. And once you do, you'll be able to use the word

'satisfied' to describe how you feel about your marriage.
