

L-Vis Lives: Racemusic Poems (Paperback)

Filesize: 4.28 MB

Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Camille Larson)

Haymarket Books, United States, 2011. Paperback. Book Condition: New. None.. 211 x 140 mm. Language: English . Brand New Book. FROM THE POET the Chicago Tribune calls the new voice of Chicago, comes L-vis Lives!, a bold new collection of poetry and prose exploring the collision of race, art, and appropriation in American culture. L-vis is an imagined persona, a representation of artists who have used and misused Black music. Like so many others who gained fame and fortune from their sampling, L-vis is as much a sincere artist as he is a thief. In Kevin Coval's poems, L-vis story is equal parts forgotten history, autobiography, and re-imaginings. We see shades of Elvis Presley, the Beastie Boys, and Eminem, and meet some of history's more obscure whiteboy heroes and anti-heroes: legendary breakdancers, political activists, and music impresarios. A story of both artistic theft and radical invention, L-vis Lives! is a poetic novella on all of the possibilities and problems of post-racial American culture--where Black art is still at times only fully accepted in a white face, and every once in a while an L-vis comes along to step in to the void. i am a hero to most. the great hope of something other. a complex back-story. something other than the business of my father. bland's antonym. jim crow's black sheep. the forgotten son left to rise in the darkness among the discarded in the wild of working class, single mother hoods. a hero who transcends who translates the dissatisfactions of the plains; kids of kurt cobain, method man amphetamine, the odd lowan who digs dirt and lights beyond the pig yard, spits nebraskan argot, hero to the heart land, middle brow(n) america.
