This searing first-hand account of writing in the trenches finds its literary kin in Hemingway, Proust, Marx, a noble heritage extending to the ancients, enlisted to battle in the war on ignorance. Race, politics, philosophy, aesthetics, religion, unions, sex, gender, violence, crime, love, hate, history, all must pass through the Hall of Fools. Hall of Fools is a nonfiction novel about American public education. If you want to know what it s like to teach in a public school for one whole year - or thirty - or any number in between, if you want to know if your children are safe in school, or if they re learning anything and who is teaching it to them, if you re brave enough, enter the Hall of Fools.
