Helping Students Learn in a Learner-centered Environment: A Guide to Facilitating Learning in Higher Education

By Terry Doyle, John Tagg

Stylus Publishing. Paperback. Book Condition: new. BRAND NEW, Helping Students Learn in a Learner-centered Environment: A Guide to Facilitating Learning in Higher Education, Terry Doyle, John Tagg, Before entering higher education, most students' learning experiences have been traditional and teacher-centered. Their teachers have typically controlled their learning, with students having had little say about what and how to learn. For many students, encountering a learner-centered environment will be new, possibly unsettling, and may even engender resistance and hostility. Taking as his starting point students' attitudes toward, and unfamiliarity with, learner-centered classrooms, Terry Doyle explains that motivating students to engage with this practice first of all requires explaining its underlying rationale, and then providing guidance on how to learn in this environment. This book is about how to help students acquire the new skills and knowledge they need to take on unfamiliar roles and responsibilities. It is informed by the author's extensive experience in managing learner-centered classes, and by his consultation work with faculty. The first four chapters focus on the importance of imparting to students the evidence and underlying philosophy that is driving higher education to move from a teacher-centered to a learner-centered practice, and what this means for students...
