Brand New Book ***** Print on Demand *****.Set in the Washington D.C. area, it is a story about a team of five federal agents and a happenstance private investigator. They are assembled to investigate various religious groups suspected of fraudulent practices. Their focus lands upon an eclectic assortment of friends known as the Tea Society. The team consists of two FBI agents. one is practical with a penchant for V.S.O.P. in a paper cup, the other a newly inducted agent eager and open- minded, a very bureaucratic IRS agent with a no- nonsense approach to the mission, a laid- back INS agent with a sharp sense of humor, and agent Clark, from which agency the others are, not quite sure. The team of agents enlist the help of a private investigator to infiltrate and become a member of the Tea Society. What unravels is a mystery of astronomical as well as earthly proportions.
