There has been a disturbing trend in a majority of people, growing addicted to work. Apart from this, affecting their general health, in the long run, it is also going to adversely affect their domestic happiness. This book is going to give you plenty of tips on how to recognize workaholism and how to manage it. Workaholism is some sort of obsession. In fact, there are a number of people I know, who begin to feel guilty, if they do not do one particular work at one given scheduled time. There is something wrong in the state of matter somewhere, if they are found enjoying themselves at a time, when they would usually be chained to a desk. And that is why they get stressed out, and spoil the enjoyment of everybody...
