## **SOCIAL MOVEMENTS AND GLOBALIZATION: HOW PROTESTS, OCCUPATIONS AND UPRISINGS ARE CHANGING THE WORLD (HARDBACK)**

Palgrave MacMillan, United Kingdom, 2014. Hardback. Book Condition: New. 236 x 163 mm. Language: English . Brand New Book. Globalization and social movements are inextricably linked. Contemporary social movements both shape and are shaped by globalization. Social Movements and Globalization explores this link, providing a fascinating insight into the dynamics, challenges and opportunities of contemporary social movements in a globalized world, whilst simultaneously revealing the effects, critiques and limitations of globalization. Engaging and accessible, the book s comprehensive introduction to the definitions, theories and debates surrounding social movements and globalization is richly illustrated by case studies from around the world - from Anonymous, to 15-M/Indignados, to the Zapatistas, the Arab Spring and more. In drawing on cutting-edge research, up-to-date analysis, and offering coverage of key areas of study - with chapters on the Global Justice Movement , cultural resistance, media, cyberactivism and the recent Global Protest Wave of anti-austerity and pro-democracy movements - the book makes a vital and original contribution to a range of disciplines, not least Sociology, Politics, International Relations, Media Studies and Cultural Studies.
