By Fukuyama, Francis

Farrar, Straus and Giroux, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Ambitious and highly readable." The New Yorker "Political theorist Francis Fukuyama's new book is a major accomplishment, likely to find its place among the works of seminal thinkers like Jean-Jacques Rousseau and John Locke, and modern moral philosophers and economists such as John Rawls and Amartya Sen . . . It is a perspective and a voice that can supply a thinker's tonic for our current political maladies." Earl Pike, The Cleveland Plain Dealer "An intellectual triumphbold in scope, sound in judgment, and rich in provocations; in short, a classic." Ian Morris, Slate "A sweeping survey that tries to explain why human beings act as they do in the political sphere. Magisterial in its learning and admirably immodest in its ambition." David Gress, The Wall Street Journal "In many respects, Fukuyama is an ideal guide for this enormous undertaking. He combines a deep expertise in political institutions with an impressive familiarity of world history, philosophy and social theory. An engaging writer, his prose crackles with sharp observations and illuminating comparisons, and the book marshals a breathtaking array of stimulating facts and provocative generalizations. Who knew,...
