Rutgers University Press. Paperback. Book Condition: New. Paperback. 376 pages. Dimensions: 8.9in. x 5.7in. x 0.8in. With Kinseyesque diligence Moffatt catalogues the sexual habits and fantasies of his students. . . . His book vibrates with quirky authenticity. --New York Times Book Review Useful for understanding the student experience . . . throughout the United States. . . . Beautifully written, carefully researched . . . a classic. --John Thelin, Educational Studies Michael Moffatt is a multitalented, multidisciplinary scholar . . . who writes without a trace of gobbledygook. He deserves a wide following. --Rupert Wilkinson, Journal of American Studies One of the most thoughtfully crafted case studies of undergraduate culture . . . ever written . . . a book every professor should read. --Paul J. Baker, Academe Coming of Age is about college as students really know it and--often--love it. To write this remarkable account, Michael Moffatt did what anthropologists usually do in more distant cultures: he lived among the natives. His findings are sometimes disturbing, potentially controversial, but somehow very believable. Coming of Age is a vivid slice of life of what Moffatt saw and heard in the dorms of a typical state university, Rutgers, in the 1980s. It is full of student voices: naive and worldly-wise, vulgar and polite, cynical, humorous, and sometimes even idealistic. But it is also about American culture more generally: individualism, friendship, community, bureaucracy, diversity, race, sex, gender, intellect, work, and play. As an example of an ethnography written about an anthropologists own culture, this book is an uncommon one. As a new and revealing perspective on the much-studied American college student, it is unique. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
