Bookstand Publishing. Hardcover. Book Condition: New. Hardcover. 26 pages. Dimensions: 11.3in. x 8.7in. x 0.4in. Rahim was a two Rs kid. He loved recreation and relaxation. His favorite past-time was relaxing in the old hammock in his backyard after a rough day at school. His favorite fun time was with his cousin Razzaq and his best friend Rafiq. All of them were on the local community football team, and saw each other for practice some days after school and most weekends during football season. Rahim! Rahim! His mother called from the house, disturbing his rest. His sudden movement caused the hammock to twist and tear on one end, causing him to turn over and almost fall to the ground. During Ramadan, Rahim's mother challenged him to do something he did not want to do. A series of things happened that pushed him into being a reluctant leader with a lot of help from his friends. As a result he grew from being a 2Rs to a 3Rs kid. And it was not an arithmetic problem! Read to find out what the challenge was and maybe you can become a 3Rs kid too. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
