Xulon Press, United States, 2008. Paperback. Book Condition: New. 214 x 138 mm. Language: English . Brand New Book ***** Print on Demand *****. God s Realm of Faith clearly shows what faith is and what it is not. Faith is not something we possess, grow or earn. It does not come through self-effort or following a formula. It does not come through study, giving or fasting. Faith is not mind over matter and you cannot get it through impartation from others. But there are evidences that will let you know when faith is present. We have made the receiving of faith much more difficult than God intended it to be. Is living in the realm of faith easy? Is it within your grasp as a Christian? God has a place within His realm of the Spirit with your name on it that contains His faith, His promise, purpose and power for you. One of the best ventures into the subject that has come along in years, I highly recommend this book to any who want to enhance their knowledge of both the principles and the operation of faith. Dr. Ron Charles Author of The Search, A Historian s Search for Historical Jesus Randy Bach is the founder of Worship Builders, a non-profit organization dedicated to helping others living a lifestyle of worship and equipping the next generation of worshippers. Randy has 35 years experience providing in-depth teaching on Biblical worship, leading worship at churches and conferences, developing worship teams and choirs, composing and recording songs and providing clinics for instrumentalists. Randy is Pastor at Gateway Church, a nondenominational body of believers in Tacoma, Washington. Randy and his wife Linda have been married for 39 years and have four sons, three daughters-in-law and four grandsons.
