

A Hopeful Earth: Renewing Creation Through Faith and Science

By Sally Dyck, Sarah Ehrman

Abingdon Press. Paperback. Book Condition: new. BRAND NEW, A Hopeful Earth: Renewing Creation Through Faith and Science, Sally Dyck, Sarah Ehrman, The environment is God's creation and Christians should be at the front of the crowd when it comes to taking care of it. Yet we find ourselves in a creation crisis. A Hopeful Earth, a unique study, draws together the Christian faith of Bishop Sally Dyck and the scientific world of her niece, Sarah Ehrman, to address this crisis. As these two dialogue, readers will find that these sometimes differing worldviews are both crucial to making lasting changes. They'll also discover how the church can reach out to the younger generation by joining them in the race to save the planet. A Hopeful Earth will bridge the gap between Jesus and the environment and guide readers in understanding that living as good stewards of God's creation is a significant component of what it means to follow Jesus. A separate Leader's Guide is available with seven sessions (order # 9781426710414) ".
